3★ BEST BET

### MISSISSIPPI STATE over S Carolina by 15

Talk about a tight fit. South Carolina enters the final Saturday of the regular season with a No. 17 ranking, but the Gamecocks take the court today in a 4-way tie for second place in the SEC race with Auburn, Kentucky, and Alabama – all with identical 12-5 marks in conference play. SC has been quite the surprise this season, going from 11-21 / 4-14 last year to 24-6 / 12-5 this campaign. Meanwhile, Mississippi State sits in mid-pack with an 8-9 conference ledger and a loss here tags head coach Chris Jans with his second straight 8-10 effort in two seasons in Starkville. Even so, we've got some good stuff in our corner with the Bulldogs today. For openers, MSU is 27-12- ATS at home coming off a previous home loss, including 22-6-1 against foes that are not coming off a loss of more than 7 points. Next, it's Senior Day at The Hump, and with five starters who returned from last year's squad being honored, the cowbells should be at full volume. And finally, there's a matter of revenge, as the Bulldogs look to even the score for a 68-62 defeat in Columbia back on January 6. All of this leads to max value on this payback rematch, in addition to **THE CLINCHER: The Bulldogs are 4-0 ATS with revenge in this series.**

5★ BEST BET

### UConn over PROVIDENCE by 1

We realize the Huskies have won 17 of their last 18 games and occupy the No. 2 spot in this week's AP poll, but we're not asking the Friars to win on the scoreboard, just stay close enough to throw a huge scare into UConn before next week's Big East Tournament. The timing is right with the sled dogs hitting the road off a No. 1 seed-clinching home win over Marquette, especially since they own a dismal **0-5 ATS** record in the Last Game of the Season versus .600 or greater foes. Not so for Providence, who is 11-2 SU in Last Home Games, including 4-1 SUATS the last five contests. The Friars have been a strong underdog this season, going 9-3 ATS, including 3-0 ATS at home, and they just so happen to own a **perfect 5-0 SUATS** mark as a dog of more than 1-point in Last Home Games. With Providence primed to get even with the Huskies for a 9-point loss on the last day of January, we get final approval from **THE CLINCHER: Providence is 10-1 SUATS as a home dog since 2021, including 4-0 SUATS versus .800 or greater foes; and 4-0 SUATS when seeking revenge.**

### NORTHWESTERN over Minnesota by 14

It's time for Final Jeopardy and the question is: who has compiled the best ATS record in the 2023-24 college basketball season? Would you believe the Minnesota Golden Gophers? We didn't believe it either, so we did some fact-checking and discovered that Goldy has gone 24-6 ATS this season, a whopping 80%. However, after gifting you with this 24-carat knowledge, we're immediately going to suggest you fade Minnesota here. Both teams have struggled in recent games, with Northwestern on a 0-2 slide and the Gophers winning just one of their last four contests, but the Wildcats are one of three teams tied with 8 conference losses this season, and a win here helps them clear the pack. NU lost 75-66 as -1.5-point chalk at Minnesota in early February and besides being **5-0 SU** and **4-1 ATS** with revenge this season, the purple Cats are also 11-4 ATS with revenge in this

series, including **7-1 ATS** at home. Minnesota tried and failed in its most recent game to gain a measure of revenge against Indiana, and the Gophers are a disturbing 10-38 SU and 17-31 ATS after facing the Hoosiers. Sure, it's tough going against the biggest moneymaker in college hoops this season but no risk it, no biscuit. Senior Day in Evanston seals the deal.

**Sunday, March 10**

**4★ BEST BET**

**UAB over Southern Methodist by 10**

Mustangs have come up a bit lame in their stretch run, losing three straight before they stopped the bleeding with a 3-point OT victory over East Carolina on Wednesday for their 20th win of the season. Same scenario for the Blazers, who were riding a three-game win streak before spoiling it with a 1-3 follow up. UAB will be gunning to join SMU in the 20-win club, which would be a major accomplishment for head coach Andy Kennedy considering they welcomed zero returning starters this campaign. The Well-Oiled Machine sides with the Blazers as well, noting their **13-2 ATS** ledger as either a dog or a favorite of fewer than 4 points this season. Battling tough opposition is no problem either, as the fire-breathers are 10-5 SU and **12-2-1 ATS** versus winning opposition this season. With the Mustangs in a prime let down spot here, we'll make a cross-court pass to **THE CLINCHER: UAB is 9-2 SU in Last Home Games, including 5-0 SUATS the last five games.**

**DENVER over Utah by 16**

Unlike most players and fans, Denver has an affinity for the number 13. Triskaidekaphobia is generally a phobia of the number 13 for most people, but the Nuggets tend to soak it up, and it all starts with the 124-111 loss they suffered in the most recent meeting in this series two months ago in Utah. The 13-point beatdown occurred when Denver fell as a 7-point favorite to the struggling Jazz, and it sets the table with this beauty as it notes that the Nuggets are 10-4 ATS in games when seeking revenge from a 13-point point loss when facing .484 or fewer foes. In addition, the Jazz are caught in the middle of a same-season revenge sandwich, coming off an avenger with the Bulls with yet another same-season revenge affair on tap with the Celtics while sporting a 9-19 ATS ledger in road games before battling Boston. The feeling here is you do not want to be wearing a Jazz uniform tonight, especially one with the number 13. Are you listening, Kira Lewis, Jr.?

**Sunday, March 10**

**5★ BEST BET**

**Philadelphia over NEW YORK by 10**

The battle between the Knicks and 76ers is nip-and-tuck at press time with both teams sitting pretty in the Eastern Conference playoff race. It is the postseason juxtaposition that comes to the surface in today's contest, with New York currently one leg up on the Sixers in the loss column at press time. The fact that the Sixers were nicked 110-96, at home three weeks ago, gets their attention, especially given the fact that Philly is 10-4 ATS of late with same-season revenge from a double-digit loss, including **4-0 ATS** as a dog of more than three points. Tie that into New York's negative **0-6 ATS** mark at home since February when hosting avenging foes, and we joyfully hand this off to **THE CLINCHER: Philadelphia is 12-5 ATS in this series with same-season revenge from a loss of 14 or more points, including 6-0 ATS away.**

Never Pay For A Losing Pick Again.

**UTAH** over Boston by 6

Yep. It's another the 'Air Up There' call on the Jazz at home against an unrested visitor and we're not about to back off. Not with Utah fighting for its playoff-life, currently slotted in the 11-hole in the Western Conference playoff race – just outside of the minimum 10-seed that is needed to qualify. A nasty 126-97 loss in Beantown, the worst by Utah in this series since at least 1990, dropped the Jazz to 7-4 ATS of late in this series. And it sets up nicely as well, with Boston wrapping up a 5-game west coast road wing here tonight. This wraps this up rather nicely for **THE CLINCHER: Utah is 119-37 SU and 89-65-2 ATS at home against non-rested non-conference foes since 1990, including 9-3 ATS as a dog.**

**Wednesday, March 13**

**4★ BEST BET**

**Cleveland** over NEW ORLEANS by 11

The Cavs were humming along nicely prior to the All-Star break when injuries started rearing their head. All-Star leading scorer Donovan Mitchell went down with a bone bruise on his knee. Cleveland isn't close to being the same team without Mitchell, who played exceptionally well while guard Darius Garland (broken jaw) and forward Evan Mobley (knee surgery) were out for an extended period with injuries. Mitchell is so critical to everything the Cavs do on offense. They score 4.8 points more when he's on the court compared to when he sits, and while he's never been known to be a strong defender, his effort on that end of the floor has Cleveland holding opponents to 8.3 fewer points when he's on the floor. We're banking on his return here. At press time Cleveland was 7-4-1 ATS this season as a road pick-or dog. The Cavs saw a three-game series win skein snapped in a 123-104 home loss to New Orleans in late December. Meanwhile, on the flip side, the Pelicans arrive off an 18-point same-season avenger against Atlanta (see more below) with another same-season revenge contest on tap against the Clippers. All of which leads us directly to **THE CLINCHER: New Orleans is 0-8 SU and 1-7 ATS in non-conference games after facing Atlanta.**

**Thursday, March 14**

**OKLAHOMA CITY** over Dallas by 14

Meet the NBA's version of a cash cow – the OKC Thunder, who bring a 38-22-2 ATS season-long slate into this contest. More importantly tonight, though, is they are 22-8 ATS at home, including 19-6 ATS as home chalk. Rest assured, they will be more than anxious to make amends for a 146-111 defeat at Dallas a month ago, the worst loss this season by the Thunder. On the other side of the coin, the Mavericks were riding a 0-7 ATS skein in this series until the aforementioned drilling in Dallas. Look for OKC to improve on its A-OK 12-4-1 ATS mark in games when seeking revenge from a same-season loss of 32-points here tonight. You know exactly what to do.

## (1) AMERICAN ATHLETIC CONFERENCE

Wednesday, March 13 - Sunday, March 17 • All games at Dickies Arena • Fort Worth, TX

### PLAYBOOK PROJECTED FINAL FOUR: FLORIDA ATLANTIC • MEMPHIS • SOUTH FLORIDA • SMU

**TECH NOTES:** DOGS 6 > pts w/ same-season double revenge are 2-9 ATS... DKY round dogs off BB SU losses are 11-4 ATS... 1ST round favs off a DD ATS win are 5-1 ATS... SEM round teams off a SU dog win are 7-2 ATS... FNL round favs are 6-3 ATS... #1 seeds are 1-9 ATS vs opp off SU dg win... #2 seeds off BB SU wins are 10-4 ATS... #3 seeds are 8-3 ATS L5Y... #4 seeds are 2-8 ATS L8Y... #5 seed teams are 7-1 ATS off BB SU wins... #6 seeds are 6-1 ATS vs opp w/ revenge... #9 or worse seed dogs of 9 < pts are 13-4 ATS.

**THE WAY WE SEE IT:** In only its 10th year of existence, just five different programs have climbed up the ladder and cut down the nets in this tourney. However, former member Houston did so each of the past three seasons and then transferred to the Big 12 this campaign. The fact that **FLORIDA ATLANTIC** brings a lot of pedigree into this year's event with 5-returning starters, who made it to the Final Four of the Big Dance last season, makes them the team to beat. One hiccup, though, is the fact that the defending tourney champions are just 19-27 ATS all-time in this competition... **MEMPHIS**, the only team in the loop to win more than one Quad-1 contest, took a season-ending 5-0 SUATS win skein into its final at FAU to conclude the regular season. Head coach Penny Hardaway's troops returned only one starter from last season's 26-win unit ago and have now won 20 games each of the last seven seasons. Remember, they stand 27-10 ATS when seeking revenge under Hardaway, including 4-0 ATS in this tourney. He is also 11-2 ATS when taking points and seeking revenge. Play accordingly... Hands down, the hottest team in the loop entering this tournament is **SOUTH FLORIDA**, who took a 15-0 SU and 11-2-2 season-ending mark into its final game of the campaign at Tulsa. That's like putting

6-8 F Corey Walker and South Florida have run away with the AAC regular season title.

the Bulls in a China-shop as these teams are always dangerous in these events. USF is riding a 10-3 SUATS mark since the calendar changed to 2023 this season at press time. They are also 4-1 ATS in the last five games in this tourney and should be considered extremely dangerous... A 10-win team last season, **SMU** surged to 20-win territory under second-year head coach Rob Lanier this season. They are led by a pair of all-conference guards who can carry them a long way in this tourney.

#### THE SLEEPER: CHARLOTTE

The 49ers transferred in from the CUSA and were in the running for the No. 2 seed during the last week of the season. A 22-win team last season, Charlotte welcomed three starters back for new head coach Aaron Fearne. They haven't missed a beat and were 14-5 against .666 or fewer foes.

#### KEY TOURNAMENT BEST BET:

**PLAY AGAINST ANY NO. 7 OR HIGHER SEED VS. A LOWER SEED**

No. 7 or higher seeds have struggled against No. 8 or lower seeds in this tournament, going 3-13 ATS, including 0-8 ATS versus a foe coming off consecutive losses.

Last 5 Tourney Champs: Memphis, Houston, Houston, Cincinnati, Cincinnati. Best Records in this Tourney: Connecticut 5-1 ATS as favs... Memphis 9-2 ATS L5Y... Florida-Atlantic 7-2 ATS... South Florida 5-2 ATS L6Y. Worst Records: Temple 1-7 ATS L7Y... Tulsa 2-9 ATS... Wichita State 1-4 ATS L3Y.

## (2) ATLANTIC COAST CONFERENCE

Tuesday, March 12 - Saturday, March 16 • All games at Capital One Arena • Washington, DC

### PLAYBOOK PROJECTED FINAL FOUR: DUKE • NORTH CAROLINA • PITTSBURGH • SYRACUSE

**TECH NOTES:** Teams off a Tourney DOG WIN are 14-3-2 ATS L16Y... 1ST round teams off BB ATS Losses are 8-2-2 ATS... SEM round dogs 3 > pts are 17-3-4 ATS L16Y... FNL round favs are 9-3 ATS vs an opp w/ revenge... #1 seed favs 13 > pts are 0-7 ATS L20Y... #2 seeds are 4-12 ATS off an ATS loss... #3 seed favs are 0-6 ATS w/ revenge... #4 seeds off a SU dog win are 3-10-1 ATS L17Y... #6 seed favs of 10 < pts are 9-2-1 ATS 11Y.

**THE WAY WE SEE IT:** You'll first notice the glaring omission of Miami-Florida and Virginia, both teams perennially in the mix at this stage of the season. Name and reputation can only take you so far when offenses are lacking, and you've lost more games than you've played coming down the stretch. That's not the case for defending champion **DUKE**, who ranks in the Top 10 in the land in Scoring Margin. Second-year head coach Jon Scheyer, who lifted the Devils to the 20-win plateau faster in his first season last year than any coach in Blue Devils history, welcomed 4 starters from last season's 27-win squad to earn the top nod. On a roll, they have been 13-2 SU and 11-6 ATS in this tourney since 2017...

G RJ Davis and the UNC Tar Heels hope to win their first ACC Tourney title since 2016.

**NORTH CAROLINA** has failed to win more than two games in this tourney since 2018, going 6-6 overall – including 1-6 versus .636 or greater foes. And for what it's worth, they are only 3-0 outright against Duke in this tournament since 1991... **PITTSBURGH** has been the upstart team in the conference this campaign. Picked to finish sixth in the conference in the preseason poll, Jeff Capel's crew was just 10-7 on the season before upsetting Duke as a double-digit dog in late January. They've gone 9-3 SU and 9-2-1 ATS since and haven't looked back since... **SYRACUSE** was pegged to finish no better than 11th in the ACC this season, but Adrian Autry, a former Orange player and associate coach under Jim Boeheim, had different ideas. A 7-1 ATS ledger in their last eight games in the competition seals it.

#### THE SLEEPER: CLEMSON

The Tigers couldn't be tamed down the stretch, going 7-2 SU and 6-2-1 ATS. They were also 9-5 SUATS away from Littlejohn Coliseum and 6-0 ATS as underdogs this season. Beware of the Tiger.

#### KEY TOURNAMENT BEST BET:

**PLAY ON ANY DOG IN THE SEMIFINAL ROUND**

The numbers don't lie, as dogs are 31-11-4 ATS in the semis of this tournament since 1999, including 20-5-4 ATS when coming off a win of 7-plus points.

Last 5 Tourney Champs: Duke, Va Tech, Ga Tech, Duke, Virginia. Best Records in this Tourney: Syracuse 8-2 ATS L6Y... North Carolina 17-6-1 ATS L8Y... Clemson 6-3 ATS L6Y. Worst Records: Georgia Tech 2-7 ATS L8Y... Miami-Fla 2-6 ATS as favs L10Y... Florida State 3-7-1 ATS L7Y... Pittsburgh 4-10 ATS L9Y.

## (3) ATLANTIC 10 CONFERENCE

Tue, March 12 thru Thurs, March 14 • Saturday, March 16 - Sunday, March 17 • All games at Barclays Center • Brooklyn, NY

### PLAYBOOK PROJECTED FINAL FOUR: RICHMOND • DAYTON • ST. BONAVENTURE • VCU

**TECH NOTES:** UNDERDOGS w/ same-season double revenge are 18-40-2 ATS (3-15-1 ATS L8Y)... DKY round favs off BB SUATS wins are 16-3 ATS... 1ST round teams off a SU dog win are 7-18 ATS... SEM round favs 3 > pts are 11-2 ATS L11Y... FNL round favs > 5 pts are 9-1 ATS... #1 seeds are 8-1 ATS L3Y... #2 seeds off a SU ATS loss are 4-11 ATS... #3 seed dogs are 4-10 ATS... #5 seed dogs are 7-25 ATS.

**THE WAY WE SEE IT:** The Atlantic 10 returns to Brooklyn for the second straight season after playing in Washington, D.C., in 2022 and on campus in Richmond and Dayton in 2021. Top seed **RICHMOND** might like to know that the No. 1 seeds have been on an 8-1 SUATS run in this tournament for the past three seasons. In addition, the Spiders rank No. 12 overall in the nation in Defensive Field Goal Percentage, which contributes directly to its 35th-ranked scoring defense. They've been knocking on the door the past two seasons, and we've got them back in the title game this go-round... **DAYTON** brought 5 returning starters to this event last season when they were edged by Virginia Commonwealth in the championship game. They return this season with a sterling 15-0 mark against .650 or fewer foes and should be considered a live contender to cut down the nets... **ST. BONAVENTURE** welcomed 5 starters from last season's squad to this year's team and it paid dividends, earning this berth while having their sight set on a 20-win campaign. The Bonnies are 18-3 outright in

Dayton F DaRon Holmes leads the Flyers in scoring, rebounding and steals.

this tournament against .610 or fewer opponents, which should give them a pass into at least the semifinals... **VCU** won this Big Dance qualifier as the top seed last year when, as a small dog, they beat No. 2 seed Dayton. They are also 15-6 ATS as a favorite, but only 1-4 ATS as a dog in this event.

#### THE SLEEPER: LOYOLA CHICAGO

The Ramblers had a few bumps when they moved into the Atlantic-10 last season, but fortunately, five starters returned to right the ship, and they did just that, propelling Sister Jean's dream team to another 20-win season. In the name of The Father...

#### KEY TOURNAMENT BEST BET:

#### PLAY ON THE FAVORITE IN THE CHAMPIONSHIP GAME

The proof, as they say, is in the pudding as the chalk is 21-9-1 ATS overall in the title game of this tourney, including 16-4-1 ATS if they sport a win percentage greater than .727.

Last 5 Tourney Champs: **VCU, Richmond, St. Bonaventure, Saint Louis, Davidson**. Best Records in this Tourney: **Richmond** 5-1 ATS as dogs L6Y... **Saint Louis** 7-3 ATS L5Y... **Davidson** 10-5 ATS L7Y. Worst Records: **George Washington** 2-10-1 ATS L10Y... **Duquesne** 3-12 ATS L15Y... **Dayton** 4-12 ATS L10Y.

## (4) BIG 12 CONFERENCE

Tuesday, March 12 - Saturday, March 16 • All games at T-Mobile Center • Kansas City, MO

### PLAYBOOK PROJECTED FINAL FOUR: HOUSTON • IOWA STATE • BAYLOR • KANSAS

**TECH NOTES:** Teams w/ same-season single revenge are 16-3 ATS vs an opp off BB SU wins... DKY round dogs are 16-5 ATS L11Y... 1ST round teams w/ same-season single revenge are 12-2 ATS... SEM round favs < 6 pts are 23-6 ATS (11-1 ATS L14Y)... FNL round favs 3 > pts are 7-1 ATS L15Y... #3 seed dogs are 1-7 ATS L14Y... #5 seed favs are 12-3 ATS... #8 or worse seed favs of < 9 pts are 3-13 ATS.

**THE WAY WE SEE IT:** Once again, the Big 12 is head and shoulders the top power conference in the land. With only two of its fourteen teams sporting a losing record entering this fray, it appears they are primed to land a boatful of NCAA Tournament berths once again this season. Regular season champion and conference newbie **HOUSTON** transferred in this season from the AAC, where they were 9-0 SU and 8-1 ATS in that tourney over the course of its three-peat by an average win margin of nearly 18 PPG. They bring the nation's best Defensive, Best Scoring Defense, and Turnover Margin into this event, not to mention ranking No. 3 in overall Defensive Field Goal Percentage and Win Margin. Beware: Kelvin Sampson is 11-1 in conference tourneys in games in which his troops own a .840 or greater win percentage. Much like during their AAC days, the Cougars are the team to beat, even in this much deeper conference... **IOWA STATE** has credentials of its own with Top 10 listings in Turnover Margin and Defensive Scoring. More impressive, the Cyclones bring a 13-6 SU and 16-2-1 ATS Big 12 tournament ledger into this affair the past ten seasons... **BAYLOR** has dominated .750 or better foes the past four seasons, going 43-13 SU and 36-18-2 ATS. Unfortunately, they are just 1-6 SU and 0-7 ATS in this tourney dating back to 2017 –

Houston head coach Kelvin Sampson has led the Cougars to the No. 1 spot in the AP poll.

including 5 one-and-outs during that span... When it comes to dominance, though, what more can you say about **KANSAS**, who always seems to be the team to beat in this tournament. They will carry a string of 16 appearances in the conference championship games since 1997 into this competition. Still, after having a string of 15 straight Big 12 regular season titles snapped this season, it's time to turn it over to the other whippersnappers.

#### THE SLEEPER: TEXAS

The Longhorns went 3-0 SUATS and cut down the nets in this event last season. The problem is the last team to repeat as a champion in this tournament was Iowa State in 2015. The Horns were also the No. 2 choice of teams in the Big 12 preseason vote. While they've burned money in two seasons under second-year head coach Rodney Terry, they were 22-11 outright versus Big 12 foes under his lead heading into their season finale against Oklahoma.

#### KEY TOURNAMENT BEST BET:

#### GO AGAINST ANY NO. 8 OR WORSE SEED AS A FAVORITE

No. 8 or worse seeds are just 4-13 ATS as chalk, including 2-7 SU and 0-9 ATS with a win percentage of less than .525. That's enough for us.

Last 5 Tourney Champs: **Texas, Kansas, Texas, Iowa State, Kansas**. Best Records in this Tourney: **Iowa State** 16-2 ATS L10Y... **Kansas** 11-2 ATS 6Y... **Texas** 9-3 ATS L7Y. ## (5) BIG EAST CONFERENCE

Wednesday, March 13 - Saturday, March 16 • All games at Madison Square Garden • New York, NY

### PLAYBOOK PROJECTED FINAL FOUR: UCONN • MARQUETTE • CREIGHTON • VILLANOVA

**TECH NOTES:** Teams off BBB ATS losses are 2-9 ATS vs opp off SU loss... Teams w/ same-season double revenge are 14-5 ATS vs opp off SU loss... 1ST round favs w/ revenge are 1-5 ATS... SEM round dogs are 13-3 ATS L9Y... FNL round teams w/ revenge are 1-5 ATS... #1 seed favs are 1-7 ATS L6Y... #4 seed dogs are 12-1 ATS L18Y... #6 seeds are 2-12 ATS L9Y... #8 or worse seed dogs 10 > pts are 1-7 ATS L9Y.

**THE WAY WE SEE IT:** We keep calling it out, but it's worth repeating: since 1939, the winner of this event has gone on to win the NCAA Tournament twelve times. Only the Pac-12/10 and SEC own more titles. Ironically, last year's NCAA champion, **UCONN**, made it to the semifinal round before being edged, 70-68, by eventual champion Marquette. The Huskies are one of only three teams to have been ranked among the top five in the AP Top 25 poll every week of the season – along with Houston and Purdue. They stand 90-33 outright in postseason performances since 1998 while posting a glitzy 11-4 SU and 12-3 ATS record in this tourney of late since 2011. Yes, they're a main player in a main event tournament... **MARQUETTE** is back as the defending tournament champion with a No. 6 overall ranking in Turnover Margin. With it, they are 37-3 SU and 26-14 ATS against sub .700 opposition in the past two seasons, including 4-0 ATS when taking points. Head coach Shaka Smart brings a super-sharp 22-7 SU and 20-8-1 ATS mark in conference tourney games heading into this event, including 9-4 SU and 11-2 ATS versus top-3 seeds. They won't go down easy... **CREIGHTON** was

our choice in this tourney last season, only to fall short in the semifinal round against Xavier. Can't ignore the Bluejays' top-flight 4-1 ATS record in this tourney when taking more than two points... **VILLANOVA**, last year's champs, and winners of 4 of the last 6 Big East conference tournaments, were ranked No. 22 in the AP preseason poll and have won 18 of the last 20 games in this tourney. The Wildcats must be respected.

#### THE SLEEPER: ST. JOHN'S

You know that when the Red Storm fell in embarrassing fashion, after blowing a 16-point lead to Seton Hall as 7-point home chalk, that Rick Pitino would grab their attention and demand a turnaround. It's happening as they were favored to end the season on a 5-game win streak. Coupled with Pitino's postseason success, we color them very dangerous.

#### KEY TOURNAMENT BEST BET: TAKE THE NO. 4 SEED AS A DOG

No. 4 seeds in this tourney play with a passion when installed as underdogs, going 15-3 ATS overall since 2003. For what it's worth, these teams improve to 8-0 when taking 5 or more points.

Last 5 Tourney Champs: Marquette, Villanova, Georgetown, Villanova, Villanova. Best Records in this Tourney: UConn 7-1 ATS as favs 6 > pts... Seton Hall 7-1 ATS as dogs L8Y... Creighton 6-2 ATS L3Y. ## (6) BIG TEN CONFERENCE

Wednesday, March 13 - Sunday, March 17 • All games at Target Center • Minneapolis, MN

### PLAYBOOK PROJECTED FINAL FOUR: PURDUE • ILLINOIS • MICHIGAN STATE • NEBRASKA

**TECH NOTES:** UNDERDOGS off a Tourney DOG win are 20-3 ATS L5Y... DKY round teams w/ same-season single revenge are 30-12 ATS... SEM round dogs off BBB SUATS wins are 8-2 ATS... FNL round favs are 0-7 ATS L7Y... #1 seeds w/ revenge are 1-6 ATS... #2 seed favs 8 > pts are 6-1-1 ATS L19Y... #3 seeds off BB SU wins are 7-22-1 ATS... #4 seeds are 1-7 ATS L6Y... #5 seed dogs are 10-1 ATS L15Y.

**THE WAY WE SEE IT:** The Big Ten continues to alternate sites, with Minneapolis taking the honors from Chicago this season. Unlike last season, when you sensed at the beginning of the campaign that there would not be a team in the Big Ten that would stand out head and shoulders above the others – the opposite holds true this season. In fact, if the Big Dance were to start this week, the Top 16 Committee Ranking would have **PURDUE** at the No. 1 overall seed in the tournament. Despite winning this tournament last season and returning all 5-starters from that squad, you need to know of the Boilermakers' dismal 14-27-1 ATS all-time ledger in this tournament, including 1-11 ATS in the last dozen games. If size matters, then 7'4" center Zach Edey, who leads the Division-1 in scoring, could be the difference maker... **ILLINOIS** overachieved this season; with it, they were 10-3 against quality opposition (.626 or better). Given the fact they refuse to back down (5-1 ATS dog log this season), the Illini look to be a dangerous out... **MICHIGAN STATE** always gets our vote this time of the season as the well-coached, fundamentally-sound Spartans are a threat to climb the ladder each campaign. While they underachieved this season, they were ranked No. 3 in the nation in the AP preseason Top 25 poll. And

Center Zach Edey and Purdue shoot for a second straight Big Ten Tournament title.

pay particular attention should Sparty hook the Badgers in this event as teams who took Tom Izzo's troops out twice in the same season tend to pay the price with 4-1 standing SU and 4-0-1 ATS all-time in this tourney when looking to avenge a pair of same-season losses...

**NEBRASKA** closed the season (6-1 at press time) like they opened it (7-0 start) and appear to be the upstart surprise in the loop this season. Buyer beware.

#### THE SLEEPER: WISCONSIN

The five-returning Badger starters were primed to challenge Purdue this campaign until February rolled around. Since then, the Badgers have gone on a jaw-dropping 2-7 SU and 0-9 ATS run at press time. They are also riding a 0-6 ATS skid in the tourney. Still, they are deeply experienced and own a 20-10 outright record in this tournament against sub-.740 opponents. That makes them worth a look.

#### KEY TOURNAMENT BEST BET:

#### PLAY AGAINST ANY NO. 1 SEED IN ITS FIRST TOURNAMENT GAME

Top seeds have been a tad too high on themselves, going just 8-17 ATS in opening games since the inception of this event in 1998. Worse, they are 0-7 ATS when coming off an ATS win of 6 or more points.

Last 5 Tourney Champs: Purdue, Iowa, Illinois, Michigan St, Michigan. Best Records in this Tourney: Penn State 11-1-1 ATS L5Y... Ohio State 6-3 ATS L4Y... Minnesota 6-3 ATS L4Y. Worst Records: N'western 0-7 ATS L5Y... Wisconsin 0-6 ATS L4Y... Purdue 1-11 ATS L6Y... Maryland 2-6 ATS L6Y.

## (7) BIG WEST CONFERENCE

Wednesday, March 13 thru Saturday, March 16 • All games at Dollar Loan Center • Henderson, NV

**PLAYBOOK PROJECTED FINAL FOUR: CAL IRVINE • LONG BEACH ST • NORTHRIDGE ST • FULLERTON ST**

**TECH NOTES:** DKY round teams off BB SU wins are 1-6 ATS... 1ST round favs > 4 pts off a SU loss are 8-0 ATS... SEM round favs off an ATS win are 5-11 ATS... FNL round favs are 6-3 ATS vs opp w/ revenge... #1 seeds are 9-3 ATS off an ATS loss... #2 seed favs 4 > pts are 3-9 ATS L12Y... #3 seeds are 10-2 ATS vs opp off SU loss... #5 seed dogs < 4 pts are 6-1-1 ATS L15Y... #6 seeds are 2-11 ATS L13Y.

**THE WAY WE SEE IT:** There are only six teams with winning records in this loop, and we left two of them at home – CS Northridge and Hawaii, each of whom is just 1-4 ATS in their last five games in this tourney. With it, many think the Big West ranks at or near the bottom of Division-1 conferences, and we can't argue, given that the teams in this league are a combined 0-26 this season in games against Quad-1 Opponents. Now that's flat-out ugly. Also repulsive is that UC San Diego was in 2nd place at press time but is not eligible for any postseason tournament action after transitioning from Division II to Division I. **CAL IRVINE** is the only team in the loop in the KenPom rankings in his top 100 power ratings, thanks to a No. 16 overall ranking in Defensive Field Goal Percentage. Uncle Irv has appeared in the championship game of this event in four of the past six tournaments. A better dog (16-11 ATS) than a favorite (12-17-1 ATS) in this gathering, they've also struggled to carry the weight as a No. 1 seed (8-4 SU but 4-7-1 ATS)... **LONG BEACH STATE** brought 4 starters back from last season's 17-win unit when its season ended in the first round of this tourney. They were the preseason No. 2 choice in the conference this campaign, but a late 3-game losing skid put the brakes on any late-season momentum. They've been among the best teams in cashing tickets in conference play the last two seasons (32-

*Cal Irvine F Devin Tillis leads the Anteaters in the race for the Big West Tourney title.*

20 ATS, including 16-3 ATS when coming off back-to-back wins) and are 7-1 ATS the last eight games in this event. The Beach Boys should be on your ticket at some point... First-year coach Andy Newman vaulted **NORTHRIDGE STATE** from 7 wins to 20 this season thanks to a sterling 9-6 outright and 12-3 ATS mark in games played away from home this campaign. They were also 16-5 SU and 16-3 ATS against sub-.600 foes. That makes the Matadors meaningful... **FULLERTON STATE** takes this lot by default, bringing a sub .500 record into this frat, but a solid 11-4 SU and 9-4-2 ATS mark in this tourney into the fray, including 5-0-1 ATS as a dog against sub .750 foes.

### THE SLEEPER: CAL SANTA BARBARA

The Gauchos return as the defending champions in this tournament, which warrants a free 'pass go' card. While they've been mediocre at best this season, the sights and sounds of this tourney grab their attention and they are 8-2 ATS between the 2's (as a favorite of less than 2 points to an underdog of fewer than 2 points).

### KEY TOURNAMENT BEST BET: GO AGAINST ANY NO. 6 SEED

The collar gets tight for No. 6 seeds in this tourney, where they've gone 2-15 SU and 4-13 ATS the last 17 games. In fact, they've gone one-game-and-out in each of the previous 11 games in this event. Ouch.

Last 5 Tourney Champs: Cal-Santa Barbara, Fullerton St, Cal-Santa Barbara, Cal-Irvine, Fullerton St. Best Records in this Tourney: Long Beach St 9-1-2 ATS L8Y... Cal-Poly SLO 4-1 ATS L3Y... ## (8) CONFERENCE USA

Tuesday, March 12 - Saturday, March 16 • All games at Von Braun Center • Huntsville, AL

**PLAYBOOK PROJECTED FINAL FOUR: SAM HOUSTON • LOUISIANA TECH • W KENTUCKY • MTSU**

**TECH NOTES:** UNDERDOGS of < 5 pts off a Tourney DOG win are 2-8 ATS L13Y... DKY round teams are 5-18 ATS vs opp off DD SU win... 1ST round teams off a SU loss are 7-18 ATS L22Y... SEM round dogs off a DD SU win are 1-9 ATS L13Y... FNL round dogs of < 10 pts are 5-1 ATS L9Y... #3 seeds with revenge are 3-11 ATS L23Y... #4 seed favs > 2 pts are 11-3 ATS... #8 or worse seed teams are 15-32-3 ATS vs opp off SUATS win.

**THE WAY WE SEE IT:** After going from 14 teams to 11 to 9 the past three seasons, you can call the Conference USA the "shrink-wrap" conference if you like. It occurred when the CUSA lost Charlotte, FAU, North Texas, Rice, UTSA, and UAB to the American Athletic this season, resulting in the inclusion of Jacksonville State, Liberty, New Mexico State, and Sam Houston State. The Bearcats of **SAM HOUSTON** have made a massive splash since joining Division-1 waters three years ago. They went 27-9 in two years of play in the WAC before moving over to the CUSA this season, where they took a league-leading 11-3 record into their final game of the season at press time. They played a bruising non-conference slate, which included two teams from the BIG 12 and one each from the SEC and the Pac-12. It toughened them up for this opportunity... After a 15-16 effort last season in which first-year head coach Telvin Hester dismissed his top two players in mid-February to 'build a better culture', **LOUISIANA TECH** topped the 20-win plateau this season. They've gone 4-2 SUATS in this tourney the past two seasons and will be looking for more... **WESTERN KENTUCKY** stuck around, and it paid off for the Hilltoppers, who

*Either Louisiana Tech or Sam Houston will enter the C-USA Tournament as the No. 1 seed.*

enter this event in hopes of finding a 20th win this campaign. They were 4-0 ATS as conference chalk of 6 or more points this season and stand 5-1 SUATS against No. 6 or lower seeds in this tourney... **MIDDLE TENNESSEE STATE** is another veteran CUSA school that takes a three-year 34-23-1 ATS record in the CUSA contest into its season finale, proving the Blue Raiders know a thing or two about depositing checks. They are also 12-7 SU and 14-5 ATS all-time in this tournament, including 6-0 ATS as a favorite of 10 or fewer points. You don't want to fade that.

### THE SLEEPER: LIBERTY

The Flames won 27 games last season and welcomed 4 starters back in the CUSA debut this season. Our biggest resistance is they struggle away from home (6-10 SU and 5-11 ATS) and in conference play this campaign (7-10 SU and 4-12-1 ATS). Nonetheless, this deeply experienced crew should be considered dangerous.

## (9) MID-AMERICAN CONFERENCE

Thursday, March 14 - Saturday, March 16 • All games at Rocket Mortgage FieldHouse • Cleveland, OH

### PLAYBOOK PROJECTED FINAL FOUR: AKRON • TOLEDO • OHIO U • KENT STATE

**TECH NOTES:** DKY round favs off a SU dog win are 7-1 ATS L16Y... 1ST round favs > 7 pts are 29-11 ATS (15-3 ATS L19Y)... SEM round teams w/ same-season double revenge are 4-14 ATS... FNL round favs < 8 pts are 1-10 ATS L13Y... #1 seed favs 8 > pts are 16-4 ATS... #2 seed favs 4 > pts are 17-4 ATS... #3 seeds off BB SU wins are 8-21 ATS... #4 seed favs are 3-11 ATS L20Y... #6 seed favs < 8 pts are 3-10 ATS.

**THE WAY WE SEE IT:** So, the question begs, once again: Can the MAC command more than a single entry in the NCAA Tournament this season for the first time since 1999? Considering last year's MAC contingent was much stronger than this group, it's highly doubtful. Certainly not with the MAC 1-31 against Quad-1 foes this season. This year's leader of the pack is **AKRON**, currently riding a three-year skein of 20-plus victories. Nobody snags more rebounds per game than the Zips' glass cleaner Enrique Freeman, who leads the nation with 12.9 RPG. The Rubber makers enter this year's extravaganza with a 24-2 SU and 17-7 ATS mark against losing teams the past two seasons, as well as 4-0 SUATS all-time as a favorite of more than 6 points...

*Akron F Enrique Freeman leads the MAC in rebounding and ranks 5th in scoring.*

**TOLEDO** looks good on paper, but that is as far as it goes. Thus, we have concerns. For openers, they were just 3-8 outright against .600 or greater foes this season. And they rank No. 295 in the land in Scoring Defense (76.6 PPG). Thanks to a 38-8 record the past two seasons in games against .600 or fewer opponents, they wormed their way into this position... **OHIO U** has what it takes to earn votes in this event. For openers, they were 13-5 ATS in conference games heading into their final game of the season. They are also 6-2 SUATS

in their last eight games in this tourney and 16-8 ATS as a long-term dog in this competition... **KENT STATE** crossed the 20-win plateau this season. It only figures to have them advance to at least the semifinal round, where anything can happen. The problem for the Golden gang is their tepid 4-3 SU and 2-5 ATS failure in this tourney under head coach Rob Senderoff against avenging foes, which could short-circuit their chances.

#### THE SLEEPER: CENTRAL MICHIGAN

In truth, it was a coin flip between the Chippewas and Miami, Ohio, for this spot, but we like the direction CMU is headed. After a 3-6 start to the season, they went on to win 13 of their next 20 games while going 10-6 SUATS in conference play, including 6-1 ATS against foes coming off a win. They are also 10-2 SU and 9-3 ATS in this tourney when not taking 2 or more points.

#### KEY TOURNAMENT BEST BET:

#### PLAY ON A NO. 1 SEED AS A FAVORITE OF MORE THAN 6 POINTS

As we cited last year, it's point-blank simple. Since 1993, top seeds in this tournament have been 30-0 SU as favorites of 6 or more points, including 21-5-1 ATS. Whew!

Last 5 Tourney Champs: **Kent State, Akron, Ohio U, Buffalo, Buffalo**. Best Records in this Tourney: **Central Michigan 4-1 ATS L5Y... Kent State 6-2 ATS L4Y... Ohio U 6-2 ATS L4Y**. ## (10) MOUNTAIN WEST CONFERENCE

Wednesday, March 13 - Saturday, March 16 • All games at Thomas & Mack Center • Las Vegas, NV

### PLAYBOOK PROJECTED FINAL FOUR: SAN DIEGO STATE • UTAH STATE • BOISE STATE • NEVADA

**TECH NOTES:** DOGS w/ same-season double revenge are 22-9 ATS L8Y... DKY round teams off a DD SU win are 8-2 ATS L9Y... 1ST round dogs off BB SU losses are 10-3 ATS... SEM round favs off DD SU win are 11-3 ATS L12Y... FNL round teams w/ revenge are 7-3 ATS... #1 seed favs > 9 pts are 1-7 ATS... #2 seed favs < 6 pts are 7-1 ATS L15Y... #3 seed dogs are 0-7 ATS... #5 seeds are 9-2 ATS vs opp off SUATS loss.

**THE WAY WE SEE IT:** With as many as seven 20-win teams in this tourney, it's a high life on the Mountain West these days. It was tough slicing the field down, which means the level of competition will be sky-high as well, especially in a conference that likes to keep a lid on things (read: play defense). **SAN DIEGO STATE** leads the charge, having gone 31-9 outright in this tourney since 2010. They enter as the top seed this year, and with it, they will look to improve on a sturdy 17-4 outright record as a No. 1 seed in this event. In addition, they have appeared in 13 of the last 15 title games, including each of the last six... **UTAH STATE** has been 50-14 outright in the past two seasons but only 1-8 ATS as a dog. This means if you're looking to back them, it should be when they are favored to win. That puts them in a favorable position here, where they have brought an 11-3 SU and 9-5 ATS mark into this tourney since 1999. Remember, they fell 62-57 to SDSU in the finals of this tourney last season... **BOISE STATE** rides a 51-14 SU overall mark, the past two years into this tournament at press time. A 4-1 ATS mark in this tourney when coming off

*San Diego State's Jaedon LeDee tops the MWC in scoring and ranks third in rebounding.*

consecutive wins certainly aids their case, and so does a 12-6-1 ATS dog log the past three seasons... **NEVADA**'s biggest asset is having head coach Steve Alford on the sideline. The Wolf Pack stood 92-58 SU and 84-61-2 ATS under his lead heading into its final game of the season at press time. And don't forget the Wolf Pack has also cashed its last four games in this tourney.

#### THE SLEEPER: COLORADO STATE

The Rams were yet another 20-win team in the conference, including 8-0 SU and 5-1 ATS against sub .444 foes this season. While they've struggled of late in this tournament, going 3-7 SU and 2-8 ATS in the last ten contests, they enter with a lot of confidence and little respect. That's always a dangerous combination.

#### KEY TOURNAMENT BEST BET:

#### PLAY ON THE NO. 2 SEED IN THE CHAMPIONSHIP GAME

We do so because No. 2 tries harder when it comes to cutting down the nets in this tourney. They are now 11-3 SU and 10-3-1 ATS in MWC title games. Be on the lookout.

Last 5 Tourney Champs: **San Diego St, Boise St, San Diego St, Utah St, Utah St**. Best Records in this Tourney: **Nevada 4-1 ATS L3Y... Utah St 7-2 ATS as favs L5Y... New Mexico 8-3 ATS L6Y**. ## (11) PAC-12 CONFERENCE

### PLAYBOOK PROJECTED FINAL FOUR: ARIZONA • WASHINGTON STATE • OREGON • COLORADO

**THE WAY WE SEE IT:** With four 20-win teams this season, the Pac-12 was down a bit from last year's five 20-win team edition. The most notable MIA is UCLA, which captured 31 wins last season before losing in the Sweet 16 round of the NCAA Tournament. They are capable of stirring some feathers in this tourney, but with a losing record at press time, we were forced to leave them home. In their stead, **ARIZONA** is easily the team to beat. The Wildcats stand 84-17 in three seasons under head coach Tommy Lloyd's leadership, including 6-0 SU and 5-1 ATS in this tourney. Zona is the 2nd-ranked team in the nation in Points Per Game, the 3rd-ranked team in Rebound Margin, and the 10th-ranked unit in Offensive Field Goal Percentage – not to mention No. 4 overall in Margin of Victory. If it sounds like those are scary numbers, it's because they are... **WASHINGTON STATE** doesn't possess numbers of that caliber, but the Cougars were on a 10-1 winning run entering their final game of the season and were 6-1-1 ATS as a conference dog this campaign, including 5-0 SUATS the last five games. However, they'll need to improve on a stoic 3-14 outright and 6-10-1 ATS ledger of late in this event... **OREGON** was a 20-win team last season and

the No. 3 choice in the conference this preseason. They will likely be the same this go-round, with the Ducks at 12-1 SU and 10-3 ATS as a favorite of fewer than 8 points in this tourney... **COLORADO** was yet another 20-game winner this season but struggled in conference competition, going just 5-12-1 ATS, including 0-3 ATS as a dog. They are also 0-5 SUATS all-time against No. 1 seeds in this tournament.

#### THE SLEEPER: UTAH

The Utes welcomed five starters back last season and four more this season, making them a deeply experienced unit. After going one-and-out in this event last season, they figure to be hungry to make amends this season. A 15-3 outright and 11-5-2 ATS record against .400 or fewer foes under head coach Craig Smith paves the way.

#### KEY TOURNAMENT BEST BET:

**PLAY ON ANY NO. 2 SEED AS A FAVORITE OF 6 OR FEWER POINTS**

**THE WAY WE SEE IT:** The SEC will resume its residency at the Bridgestone Arena in Nashville for the second straight season. With it, the conference will likely end this tournament with no less than eight 20-win squads, making this college basketball's version of a WWE free-for-all. And if it's raw entertainment you're looking for then fasten your seat belt. **TENNESSEE** was the league's only team ranked in the AP preseason Top 10 poll, and the Vols lived up to its billing. They enter this fray rated in the Top 12 in Scoring Margin, but more importantly, Rocky Top is the nation's No. 2-ranked team in overall Defensive Field Goal Percentage, two highly sought-after commodities when it comes to evaluating March Madness talent. UT was forced into a play-in game in this tourney last year before falling in the first round, thus ensuring a fully focused effort here... **AUBURN** was the preseason No. 8 choice in the loop this campaign, but Bruce Pearl was at his best in conference contests, going 12-5 SUATS just prior to the end of the season. The Tigers rank in the Top 16 in overall Offensive Field Goal Percentage, but more importantly No. 5 in Defensive Field Goal Percentage. Only Gonzaga can make the same claim... **ALABAMA** was the top seed in this tourney last season, and despite the tragic off-court shooting disaster surrounding Darius Miles and freshman superstar Brandon Miller, the Tide put the distraction aside and

Tennessee G Dalton Knecht has won the SEC Player of the Week four times this season.

went 3-0 SUATS in this tourney in 2023. It improved the Tide's mark to 10-4 SUATS overall in the tournament since 2017. As the leading team in the nation is scoring Points Per Game, they figure to be a tough out here... With five starters back from last season's 21-win unit, **MISSISSIPPI STATE** lived up to the hype this campaign to earn this berth. The caveat, though, was MSU's 23-2 record against sub .550 foes behind head coach Chris Jans instead of just 20-21 SUATS against winning foes.

#### THE SLEEPER: KENTUCKY

The erratic Wildcats have earned this slot. John Calipari's cats are the third-highest scoring squad in the nation, and the Wildcats are 24-7 outright in all games in this tourney, including 6-0 ATS when seeking revenge. However, they also rank No. 329 in Scoring Defense. Yech. Still, after being tripped up in their initial SEC tourney tiff last season as an 8.5-point favorite, we'd call them dangerous.

#### KEY TOURNAMENT BEST BET:

#### PLAY ON KENTUCKY IN THE CHAMPIONSHIP GAME

This is all about head coach John Calipari, whose teams shine during the postseason, going 128-38 SU and 94-69-4 ATS in his college career. In addition, Calipari brings a 9-2 SU and 8-3 ATS mark in conference tourney title contests.

Last 5 Tourney Champs: Alabama, Tennessee, Alabama, Auburn, Kentucky. Best Records in this Tourney: Vanderbilt 7-1 ATS L3Y... Tennessee 7-2 ATS L4Y... Alabama 10-4 ATS L7Y. Worst Records: South Carolina 1-7-1 ATS L8Y... Ole Miss 1-6 ATS L4Y... Kentucky 1-5 ATS L5Y... Auburn 1-5-1 ATS L7 as favs.
